

YOU NEVER KNOW WHERE A
CRISIS OF FAITH WILL LEAD YOU.

A FILMMAKER'S JOURNEY

of PATTERNS
EVIDENCE
EXODUS

IS THE BIBLICAL ACCOUNT OF THE EXODUS FROM EGYPT FACT OR FICTION?

The historical credibility of the Bible is under attack like never before. The world's most prominent archaeologists and historians are proclaiming that there is no hard evidence to support the Exodus. They claim these stories are just myths! But now a new film, Patterns of Evidence: Exodus introduces powerful new ideas and evidence that challenge the status quo.

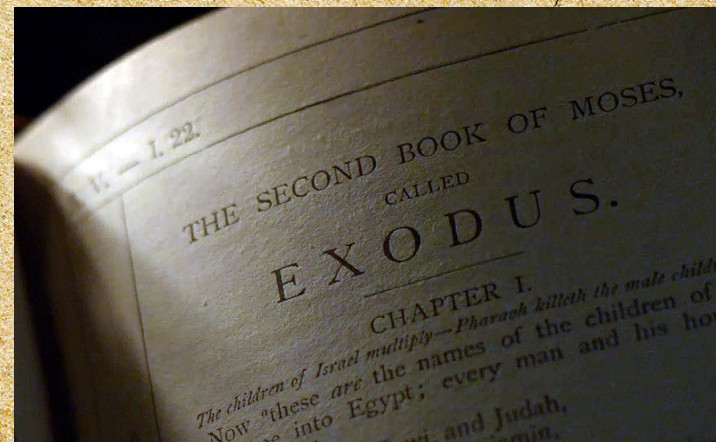

The Exodus is a foundational story in the Bible that is embraced by hundreds of millions of people around the world. Themes from the Exodus account have played a central role in the development of Western civilization, providing the roots for its political, social, ethical and legal systems. But did it really happen?

Filmmaker Timothy Mahoney begins with the question, "is there any archaeological evidence for the story of the Exodus?" He decides to tackle the issue with a deliberate scientific approach.

After examining the details in the biblical text, he journeys across the globe in search of patterns of

evidence firsthand. Mahoney combines a vivid retelling of the biblical story with interviews of top authorities from both sides of the debate, in an investigation spanning the ancient and modern worlds.

Mahoney used a bold new approach by identifying six primary steps of the Exodus account, and then looked for patterns of evidence wherever they existed in Egypt's history. The results were startling and could fundamentally transform the way the world views history and the Bible.

COMPELLING ARCHAEOLOGICAL EVIDENCE FOR THE STORIES FOUND IN THE BIBLE.

A VIVID RETELLING OF THE BIBLICAL STORY WITH INTERVIEWS OF TOP AUTHORITIES IN AN INVESTIGATION SPANNING THE ANCIENT AND MODERN WORLDS.

The case against the Exodus appears to be so strong that even some religious leaders are labeling this ancient account as historical fiction. But, many continue to defend the biblical account. Come to your own conclusion by watching many of the world's leading experts representing the disciplines of archaeology, Egyptology, history, political affairs, and religion.

Featured in the film are:

TIMOTHY MAHONEY
Writer, Director and
Producer

ISRAEL FINKELSTEIN
Archaeologist,
Tel Aviv University

DAVID ROHL
Egyptologist, Author

SHIMON PERES
President of Israel

BENJAMIN NETANYAHU
Prime Minister of Israel

NORMA FRANKLIN
Archaeologist,
University of Haifa

MICHAEL MEDVED
Radio talk show host, Author

DAVID WOLPE
Rabbi, Author

JAMES HOFFMEIER
Egyptologist, Author

MANSOUR BORAİK
Egyptologist,
Director General of
Antiquities – Luxor

MANFRED BIETAK
Egyptologist,
University of Vienna

KENT WEEKS
Egyptologist, Theban
Mapping Project

MANIS FRIEDMAN
Rabbi, Biblical scholar,
Author

CHARLES ALING
Egyptologist, University
of Northwestern

BRYANT WOOD
Archaeologist, Associates
for Biblical Research

JOHN BIMSON
Tutor in Old Testament,
Trinity College, Bristol

DAVID HARTMAN
Rabbi, Shalom Hartman
Institute, Author

MAARTEN RAVEN
Egyptologist, Curator –
Leiden Museum

Patterns of Evidence is a game-changer for the history and archaeology of Israel. In very informative yet vivid and entertaining storytelling, it uncovers the bias of modern critical scholarship and its patterns of denial of Biblical history. Laymen can finally understand in a simple yet intelligent presentation the fascinating archaeological and historical evidence that the Exodus and its related events really occurred in history centuries earlier than the highly questionable chronological consensus of scholars driven by dogma and tradition to reduce the Biblical account to fictional myth.

BRIAN GODAWA, AUTHOR, NOAH PRIMEVAL,
AND THE AMAZON BESTSELLING BIBLICAL NOVEL SERIES
"CHRONICLES OF THE NEPHILIM"

With outstanding production value and compelling research, Patterns of Evidence may well upend the accepted dating system of ancient civilizations and, in so doing, solve the mysteries of the Hebrew Exodus. Utterly fascinating, well-told story!
