THINKING MAN FILMS

Hello Friend,

I'm Timothy Mahoney, the filmmaker for *The Patterns of Evidence* film series and I wanted to personally invite you and your group to go see our 3rd film in our film series.

My team and I have been involved in this investigation for almost 20 years and we have been able to find an amazing pattern of evidence that matches events recorded in the Bible! We plan to continue to make more films in the future. In fact, we will be releasing our next two films, ***The Red Sea Miracle*** February 18, 2020 and ***The Red Sea Miracle II*** May 5, 2020 into theaters as a national theatrical Fathom Event.

It's one of the greatest miracles in the Bible; Moses and the Israelites trapped at the sea by Pharaoh's army when God miraculously parts the waters, rescuing the Israelites and destroying Pharaoh and his chariots. ***The Red Sea Miracle*** is one of the biggest biblical documentary investigations of all time, uncovering new evidence for the story that challenges our previous understanding of history. You won't want to miss this faith-inspiring event. Tickets available on our website www.patternsofevidence.com
